Learn more about our masterÃ Âprogrammes at one of our MasterÃ ÂInfo EveningsÃ ÂandÃ Âfind out which programme could help you excel in your career.Ã Â You may also come andÃ Âexplore our campusÃ Âand speak to representatives from our masterÃ Âprogrammes face-to-face, at one of ourÃ ÂOpen Campus Nights. They will be responsible team members and reach common goals by effectively cooperating in a team. We also offer the opportunity to spend a week in Milan by attending one of theÃ ÂelectivesÃ Âin the fourth semester at Bocconi University. The Master in Management follows a unique time model that permits students to work part-time whilst pursuing a full-time Master¢ÃÂÂs degree. All students are expected to be at Frankfurt School on this day. Frankfurt School plays a key role in supporting these strategic partner industries through its cutting edge research and innovative solutions focused on consultancy, tech, banking and finance. After being apart from the world for so long, it almost becomes second nature to be alone and it becomes so easy to forget what it was like to be around so many people. Frankfurt School is one of the best European Business Schools. Applications received before the end of November andÃ ÂMarch will benefit from our early bird discounts of EUR 4,000 and EUR 2,000 respectively. Have a look at Santiago'sÃ ÂblogpostÃ Âon his experience at last year's IE exchange. Curriculum may be subject to change. The sessions tackled crucial topics such as Sustainable Development Goals (SDGs), Green and Climate Finance, the Relationship between Investment in Human Capital and Sustainable Finance, and the Role of Corporate Governance in Sustainable Finance.Ã Â For one week the students travel to Madrid and attend lectures at IE Business School on Blockchain, Big Data and how these technologies are influencing companies. Take a look at some moreÃ Âhere. This experience was one of the most powerful I had, and I'm sure these memories will stay with me until they can't anymore." The combination of practical learning methods and the ability to work part-time ensures that our Master of Management students are able to secure jobs in a variety of companies and industries for the time they graduate. Master in Management: Curriculum Semester 1 Evidence-Based Management Financial Analysis and Performance Management Semester 2 Innovation Management & New Product Development Strategic Communication and Leadership Digital Business, Technology & Operations Data & Business Analytics Corporate Finance and Governance Decision Management Experience & Models Power, Policy and Social Networks Digital Operations & Industry 4.0 Business Simulation & Algorithms Students Summer Internation or Skills Development You have the option to use the credits of your electives in semester 4 to study abroad. I am grateful for all the efforts that the Frankfurt School and the New SBE have put in the organization of this trip during the current situation, and I am deeply grateful for this opportunity to finally connect with our own schoolmates, both from the Master of Management and the Master of Finance." Conner Tensey (Master of Finance Class of 2021): "If I had to use a word to describe the trip, it would be amazing. Many of our aspiring and inspiring individuals lead importantfo rebmuN Â.noitaudarg retfa tnemyolpme rof thgiltops eht ni uoy sevael ,seiduts emit-lluf ruoy tuohguorht emit-t kraprow ot ytinutroppo eht sulp ,stisiv ynapmoc dna serutcel tseug ralugerno M ni retsa M labolG semiT laicnaniF eht ni yralas rof 01# dna ynamreG ni 5 pot deknar saw tnemegana M ni retsaM ehT !erom tuo dnif ot egap ruo tisiv esael hin d'yourself M ruO .supmac no ylraluger inmula lufsseccus dna snaretev yrtsudni ,srotavonni htiw krowten nac snedutS .ecno ta lla meht daolpu ot deen ton od uoy ,revewoH .stxetnoc ssenisub lacratcarp G .krowten lanoitanretni rieht nediw ot dna stnemnorivne yduts dna larutluc esrevid ,stniopweiv avoidapmoc niag ot stneduts ruo swolla sihT .elbacilppa fi ,tseT noissimdA loohcS trufknarF ♪ Ana ot ♪ M ni retsaM ehT .snoitatlusnoc lanosrep dna trufknar F fo edistuo sriaf ,stisiv ssalc sa hcus su htiw hcuot ni teg ot syaw rehto lareves reffo osla eW .seitivitca gniebllew dna strops ,snoititepmoc ycnatlusnoc ni gnigagne sa llew sa spu-trats noita rovonni135 Nationalities 23 Average age 24 Germany 41% Asia 42% Europe excl. Your degree is an investment in your professional future. Germany 11% Americas 4% Africa & Middle East 2% Business Administration 31% Other 6% Economics 6% International Business and Management 19% Engineering & IT 13% Banking and Finance 4% Languages and Cultural Sciences 14% Social Sciences 7% Frankfurt is the commercial center of Europe, where large global corporations, consulting companies, high-tech industries and startups are located next to the European Central Bank. We strongly encourage our students to learn German before reaching Frankfurt to improve their employment opportunities. We call this the 3 Day Model. Applicants interested in a scholarship must complete the relevant section within their online application. This will be subtracted from the total tuition fee. Gain on-demand skills through the innovative and practical teaching approach of the Frankfurt School: 3-day study model, allowing part-time employment Practical troubleshooting, analysis and application exercises International network of alumni of business leaders and entrepreneurs Join our Accelerator or Incubator Entrepreneur for Custom mentoring Partnerships with leading global companies in finance, technology and consulting ECTS GMAT/GRE valid score or Frankfurt school admission test (BT methods) Successful Admission Interview We encourage you to complete your application as soon as possible, as there are financial advantages for applicants who send a full order earlier. They're goingPotential conflicts in cooperation with others and reflect on them in the context of situations overlapping conditions. Graduates will be prepared to be competent professionals in international business environments and research institutions. However, German classes are provided to all non-German students throughout the duration of the program. Our Career Services team will support you with individual queries about career development that are based on your career interests and goals. Joy He (Master in Management Class of 2022): "It was refreshing to see how people from Frankfurt School and New SBE were so motivated to connect with each other. As an international student who came to Germany for the masters during pandemic, this trip represented what I was looking for: to build meaningful relationship with people from different cultural and educational backgrounds. The narrow ties of the Frankfurt School with the consultancy and finance industry are evident in the lecture opportunities. For more information, please contact us. Seeing the whole class again - people who had not seen in a year or more - was almost indescribable. All courses will be taught by IE teachers, which gives students the opportunity to expand their academic network. "jcr:a589e75d-1e4c-4f75-9a16-545bd0c94eb3" (String) Grau Master of Science (MSc) Application time 30 June Programme Start 22 August Duration 4 Semestres | full-time Our Master of Management program offers innovative core modules combined with cutting-edge concentrations for key management and innovative business development skills, to prepare digitally experienced business analysts. They will base their professional activities in deep theoretical and methodological knowledge and will have an understanding ofethics in management processes and decision making. decisions.snoitcrutni Eviecer lliw lliw olive uoy .EcNinif Elbaniatsus ni eggelwonk Rieht Nepeed Ot Lagutrop Scimonoce dna Ssenusub Fo Loohcs Avon Detisiv Stnuds REO RAEY TSAL .
