Due to the volatile nature of the kraken tentacle, the abyssal tentacle degrades as it is used. Each hit costs 289.3, costing up to 433.949.4 per hour. After 10,000 hits with the weapon (400 minutes of continuous combat), it will degrade and consume the abyssal whip, leaving the player with only the kraken tentacle. Cave kraken: 87 127/291 Killing the boss variant yields a decent amount of various supplies. Slow experience rates, long task if killing the boss. Do until you get the trident of the seas and kraken tentacle, block afterwards 15k Bloodvelds: 50 76, 81, 123 Decent experience rates, mutated bloodvelds frequently drop a generous amount of blood runes.
